Recycling Mitsubishi Chemical America, Inc.'s roll packaging since 1998.

PACKAGING RETURN PROGRAM

- 100% Voluntary
- No Fees to participants
- No freight charges for returns up to 1,000 miles. Credit for 1,000 miles on longer returns.
- No contracts, supply, or time commitments
- Can accept packaging from most non-Mitsubishi U.S. film manufacturers
- No need to sort by source
- No need to provide counts or weights
- Hold agreed upon quantities
- Call when ready

BENEFITS

- Promotes sustainability
- Decreases landfill usage
- Reduces disposal costs

GOAL

To leverage Taylor Pallets & Recycling's extensive network of trucking, recyclers, brokers, and independent 3rd party collectors to service all Mitsubishi film customers - large and small.
